NATIVE RESURGENCE
A Guide to Sites of Native American Resistance and Ingenuity in the Midwest from the 1970s to the Present

Krebbs Doorn & Sarah Demmo

FURTHER READING

The authors acknowledge the diversity of venues, historical narratives, and political positions that focus on the histories of Native American resistance and activism in the Midwest. This includes the critical assessment of the role of Native American activism in shaping the modern political landscape of the United States.

1. "News From Indian Country" (http://www.indiancountrytoday.net) publishes a wide range of articles on Native American issues, politics, and culture.

2. "The Native American Heritage Council" (http://www.nahec.org) provides information on the cultural and historical significance of Native American sites in the Midwest.

3. "The Midwest Native American Network" (http://www.mnanc.org) offers resources on the history and contemporary issues of Native American communities in the Midwest.

4. "The American Indian Heritage Trail" (http://www.aiht.org) highlights various sites of Native American resistance and activism.
